# Thank You for choosing to support Air Ambulance Northern Ireland.

Our medics can only fly with your support, and right now, we need your help, more than ever! Our fundraising has been severely impacted by Covid-19 but the Helicopter Emergency Medical Service continues to be active across the region for you and your loved ones.

Things look very different this year but there are still many ways, you can support our life-saving service! Whether you fundraise from the safety of your own home or within your community whilst practising social distancing, we are grateful for every penny you raise.

It is not only the medical team who save lives, but the people like you who support our service.

## Club AANI

Regular donations allow us to predict regular income levels to keep our helicopter flying. You can be part of the journey in creating sustainability for this critical lifesaving service by donating as little as £2 per week. Sign up on our website today and receive exclusive membership benefits.

## Fundraise at Home

Hold your own fundraiser at home! You could challenge yourself by doing a sponsored silence or skipathon in your garden. Or involve your friends and family by holding a virtual quiz over video chat in aid of AANI. Donations can be made through Facebook, JustGiving or our website.

## Birthday Fundraiser

Sadly over the next while, lots of people won't be able to celebrate their birthdays with a big party but you can still do something incredible! Set up a Facebook fundraiser or JustGiving Page and ask your friends and family to donate instead.

## Donate Online
