

GO OFF TO LIFT OFF FOR AIR AMBULANCE NI

FUNDRAISING PACK

Thank you for registering to take part in the 'Go Off to Lift Off' Challenge for Air Ambulance NI.

We are delighted that you have chosen to support Air Ambulance Northern Ireland in our new campaign.

We want this to be a light-hearted challenge where you can amend or put right some of the bad habits that may have built up over 2020.

We would encourage your family, friends, or work colleagues to support you by sponsoring your efforts and helping to raise further funds for our service.

By participating in this challenge, your fundraising efforts will ensure our medical team can continue to save many lives, brains and limbs.

The charity Air Ambulance Northern Ireland, in partnership with the Northern Ireland Ambulance Service, provides the Helicopter Emergency Medical Service (HEMS) for the province. It is operational 365 days of the year, 7am-7pm and can get to any point in Northern Ireland within twenty-five minutes.

With an annual operational cost of £2 million, we sincerely appreciate your support this January. Since our inception in July 2017, the HEMS team have responded to over 1,943 incidents.

We simply could not fly without your support so THANK YOU.

In this pack you will find:

- **Just Giving page info** – here you will find information as to how to set up an online Just Giving page which will connect to our Air Ambulance NI page and how to promote it to raise more funds.
- **Sponsorship form (printable version)** – if you would like to have a traditional sponsorship form for your home, office or car then you will need one of these. Cash donations can be added onto your online Just Giving page to let everyone know of the grand total raised so far.
